

# ELIT PMI 8004

## Technical description

### Advantages:

|                            |  |
|----------------------------|--|
| Product name/ Art.nr/ GTIN | ELIT PMI 8004/ 20900101/ 5711536000710 |
| According to:              | ---                                    |
| Radio standard GSM         | Yes                                    |
| Supply voltage             | 220 - 240 Volt                         |
| Number of digital inputs   | 1                                      |
| Construction               | External device                        |
| Bus type/interface         | Serial                                 |
