

Connection terminal V4A Ø42.4 for 30x3.5mm

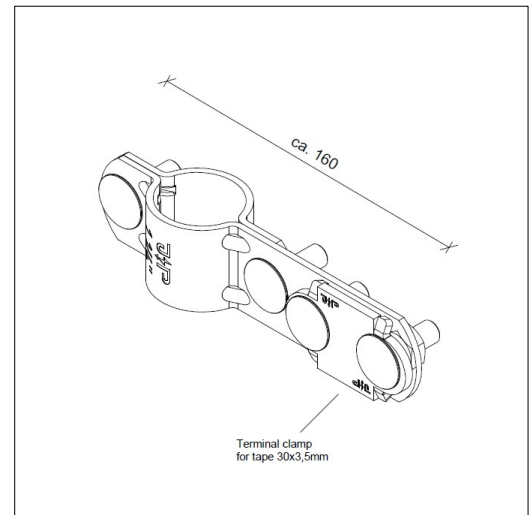

Connection terminal Ø42.4 (1 1/4") in acid-resistant A4 steel for 30x3.5mm flat conductors

Technical description

Corrosion-resistant connection clamp for pipe/mast Ø42.4 (1 1/4"), in acid-resistant A4 steel, specially adapted for 30x3.5mm flat conductors.
Manufactured according to DIN EN 62561-1.

Advantages:

Connection terminal made of acid-resistant A4 steel
Specially adapted flat conductor 30x3.5mm
Manufactured according to DIN EN 62561-1

Product name/ Art.nr/ GTIN	ELIT TTK-V4A-Ø42-30x3,5mm/ 40180035/ 7070810036509
According to:	DIN EN 62561-1
Clamping/chucking range	42,4 - 42,1 Millimetre
Min. clamping range inch	1 1/4 inch
Max. clamping range inch	1 1/4 inch
Material	Stainless steel 316 (V4A)
Surface protection	Hot-dip galvanized
Connecting hole	30 Millimetre
