Adapter HVSC Plus M16

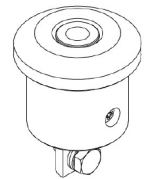

Adapter HVSC Plus M16

Technical description

The adapter is placed on top of an FRP mast. On the underside, high-voltage cable, HVSC Plus, is terminated and connected, while on top of the adapter, a threaded lightning arrester tip with M16 threads is screwed.

Advantages:

- Fits like a glove on top of FRP masts
- Makes it easy to screw in lightning arrester tips onto the mast

Product name/ Art.nr/ GTIN	ELIT TERM-ADAP-HVSCPLUS-M16/ 40190006/ 7070810039999
According to:	IEC 62561
Type of accessory/spare part	Adapter
Accessory	Yes
Material	Steel
Surface protection	Other
