

ELIT LOT535M177

Telescopic air-termination pole Al Ø42mm 5.35m

Telescopic aluminum air-termination pole for wall mounting up to 5.35 m

Technical description

Lightning rod: telescopic, aluminum, 4-part, manufactured according to EN 62561-2.
Total height: 5.35 m, tapered design from Ø42 mm - Ø10 mm (tip)
Required wall mount: [2x] Type B
Unsupported length FL1: 4.65 m
Clamp length EL1: 0.7 m
Max. wind speed:
Wind safety factor 1.0: 196 km/h /
Wind safety factor 1.5: 160 km/h

Advantages:

Telescopic lightning rod in aluminum
Can be extended up to 5.35 meters
Manufactured according to EN 62561-2
Safety factor for wind 1.0: 196 km/h /
Safety factor for wind 1.5: 160 km/h

Product name/ Art.nr/ GTIN	
Product name/ Art.nr/ GTIN	ELIT LOT535M177/ 40150135/ 7070810033324
According to:	EN 62561-2
Length	5350 Millimetre
Diameter	42 - 10 Millimetre
Model	Interception rod tapered
Telescopic	Yes
Material	Aluminium
Surface protection	Other
Connection	Round conductor
