

ELIT LOPS-S5-CAT3

Advanced lightning air termination tip with stainless steel lightning trigger - CAT 3 (Ø 213mm)

Technical description

First corona-minimising terminal with optimised blunt design and four independent panels. Extensive field experience with more than 50,000 installations over 15+ years in more than 75 countries around the world. Air terminal familie designed to meet direct-strike placement methodologies in compliance with various international standards and proven technology based on international research findings, modelling and field testing.

Advantages:

Fully tested interception system according to IEC 62561-2
Made of stainless steel 316 for solid and long-lasting use
Easy to install with supplied interception tip to minimize Corona
Connects to custom insulated high voltage cable HVSC

Product name/ Art.nr/ GTIN	ELIT LOPS-S5-CAT3/ 40150141/ 7070810033867
According to:	---
Length	336 Millimetre
Diameter	213 - 213 Millimetre
Model	Interception tip
Material	Stainless steel 316 (V4A)
Surface protection	Other
Connection	Round conductor
High-voltage-proof insulated model	Yes
