

ELIT OK8-16mm-SS

Cross clamp 8-16mm stainless steel

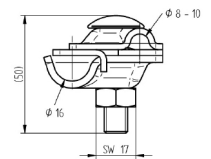

Cross clamp 8-16mm stainless steel

Technical description

Transition terminal / Cross terminal in stainless steel for conductors with dimensions Ø 8-16 mm.
Screw material: Stainless steel.

Advantages:

Stainless steel transition/cross terminal
Clamping range, conductor: Ø 8 - 16 mm
Provides good contact with even clamping

Product name/ Art.nr/ GTIN	ELIT OK8-16mm-SS/ 40180012/ 7070810003365
According to:	EN 62561-1
Suitable for	Other
Connection cross section	50 - 200 Square millimetre
Clamping range round conductor	8 - 16 Millimetre
Material	Stainless steel
Surface protection	Untreated
