Dedicated stripping tool / peeling tool" that peels away the insulation and exposes the inner conductor of the HVC-85 conductor (Ø28 mm). Type with handle and rotating stripping head.

Material: plastic / hardened steel

Tool length: 230 mm

Handle length: 100 mm

Weight: 310 g

Advantages:

Dedicated stripping tool / peeling tool" HVC-85 conductor

With handle and rotating stripping

Made in Germany with a focus on precision and top-class material quality

Product name/ Art.nr/ GTIN	ELIT AIV-HVC-85/ 80100087/ 7070810024292
According to:	N/A
Length	230 Millimetre
Strip range cross-section	615,75 - 615,75 Square millimetre
Strip range diameter	28 - 28 Millimetre
Head width	30 Millimetre
Head height	30 Millimetre
Handle cover	Plastic grips
Surface protection	Other
Surface treatment	Other
ESD tested	No
With impact protection	Yes
Weight	310 Gram
